EXAMINER'S COMMENT***Drawings***

1. The drawings filed on October 4, 2004 are acceptable subject to correction of the following informalities. In Fig. 9, "ON" should be removed from "ON SIGNAL" and "ON SIGNAL FP" and "N" should be removed from "N SIGNAL FPA". In order to avoid abandonment of this application, correction is required in reply to the Office action. The correction will not be held in abeyance. Any amended replacement drawing sheet should include all of the figures appearing on the immediate prior version of the sheet, even if only one figure is being amended. The figure or figure number of an amended drawing should not be labeled as "amended." If a drawing figure is to be canceled, the appropriate figure must be removed from the replacement sheet, and where necessary, the remaining figures must be renumbered and appropriate changes made to the brief description of the several views of the drawings for consistency. Additional replacement sheets may be necessary to show the renumbering of the remaining figures. Each drawing sheet submitted after the filing date of an application must be labeled in the top margin as either "Replacement Sheet" or "New Sheet" pursuant to 37 CFR 1.121(d).
